

Cleaning & Care

- Wipe with a clean, soft cloth and mild soapy water or nonabrasive bathroom cleaner. Test in an inconspicuous area before cleaning the whole bath.
 - Avoid placing hot objects, such as hair straighteners, on any surface as these will cause discolouration and marking.
 - Spills of hair dye, after-shave lotion, nail polish and remover, aerosol spray and other harsh chemicals should be removed immediately to prevent damage and discolouration.
 - Clean immediately with mild soapy water using a clean, soft cloth.
